(Buded 5/28/53)

ReBulet to New York dated 4/28/53.

A review of Bulet, as well as the enclosed PSQ fails to reflect any investigation within the Albany Division.

It is noted however, that prior investigation was conducted in the case captioned HEINRICH ALBERT WIESCHHOFF, aka. IS - R, and an RUC report was submitted on April 28, 1953. The investigation in this Division was to identify the subscriber to a telephone number at Lake Placid, New York and furnish identifying data concerning that subscriber. The results of the investigation of this office reflect that it was assigned to the Adirondack Lodge Corp., and one FRED KELSEY of New York City is allegedly President of this corporation. There was no derogatory information concerning the Lodge or KELSEY developed during the course of the investigation.

As this does not appear to be pertinent to the present UN investigation, this case is being considered RUC and no report is being submitted.

~~MR. & MRS.~~
MAE DENA CHURCHILL was interviewed by the Federal Bureau of Investigation in February, 1950, during the course of another investigation conducted by the Federal Bureau of Investigation at which time MAE DENA CHURCHILL admitted that her former husband ~~LESTER MARK~~ ~~NIETTIG~~ had engaged in espionage on behalf of the Soviet Government in about 1937 and that she, MAE ~~CHURCHILL~~, knew of her husband's activities at that time and had actively assisted him as courier during the period 1937 to late 1938. CP

~~Los Angeles T-3~~ a confidential informant of known reliability, advised that in August, 1949, MAE CHURCHILL made specific inquiry as to the whereabouts of ESTHER HEATH. This informant further advised that MAE CHURCHILL was one of the leaders of a teaching committee of Pasadena teachers who were interested in training films for children. This informant further advised that MAE CHURCHILL was active during 1949 in Parent Teachers Association affairs in the City of Pasadena, California.

~~MRS. HEINZ WEISCHHOFF~~
Mr. ARNOLD TUCKER, [redacted] advised that he and his brother WILLIAM ~~EX~~ TUCKER had in June, 1940, reported to the Federal Bureau of Investigation that their cousin VIRGINIA GRAVES had married in 1938 a German named Dr. HEINZ WEISCHHOFF and at that time wished to submit further information concerning WEISCHHOFF in order to determine if he was a spy. b6 b7C

~~ARNOLD TUCKER~~ advised that VIRGINIA GRAVES had met WEISCHHOFF in 1937 at a teachers convention in New York City and that they were subsequently married in 1938. Mr. TUCKER stated that the only reason for suspecting WEISCHHOFF as being a possible spy was the fact that he had spent so much time in Germany and that he had reportedly made two expeditions financed by the German Government into South Africa to do research work in anthropology. Mr. TUCKER stated that since he first reported this information to the Federal Bureau of Investigation he has talked various times with the mother of VIRGINIA GRAVES and that due to the fact that WEISCHHOFF has for some years been employed by the United Nations he has no reason to question his character, associates, reputation or loyalty. Mr. TUCKER stated that he is not well acquainted with WEISCHHOFF having only met him on one occasion shortly after WEISCHHOFF and VIRGINIA GRAVES were married. Mr. TUCKER stated that the character, associates, reputation and loyalty of VIRGINIA GRAVES are excellent.

Mr. WILLIAM F. TUCKER, [REDACTED]

[REDACTED] reiterated the information furnished by his brother ARNOLD TUCKER concerning their having previously suspected WIESCHHOFF of being a spy based on his long affiliation with the German Government. Mr. TUCKER explained that at that time he and his brother felt it would only be logical that WIESCHHOFF might attempt to aid the German Government inasmuch as he had received considerable education from the German Government and had conducted expeditions into South Africa for the German Government. Mr. TUCKER further stated that he is not well acquainted with WIESCHHOFF inasmuch as he had only formally met him on one occasion and that had been shortly after WIESCHHOFF's marriage to VIRGINIA GRAVES.

b6
b7C

Mr. TUCKER further stated that he has no reason to question the character, associates, reputation or loyalty of WIESCHHOFF and that he is certain that the character, associates, reputation and loyalty of his cousin VIRGINIA are excellent. Mr. TUCKER advised that he is aware that WIESCHHOFF resided at 1627 First Street, Long Beach, California, for a short period just subsequent to his marriage to VIRGINIA GRAVES in approximately 1936 but could suggest no one who would have been acquainted with WIESCHHOFF due to the relatively short period WIESCHHOFF spent in the Long Beach, California, area.

RESULTS OF INVESTIGATION

MR. LEON SEIDNER, Personnel Office, Personnel Division, Library of Congress, advised that during the period 1942-1943 an arrangement was made whereby the Library of Congress hired a number of consultants to do work for the Office of Strategic Service. It was MR. SEIDNER's opinion that the employee was one of these consultants. MR. SEIDNER advised that he was not personally acquainted with the employee.

The files of Washington T-1, another Government agency which conducts personnel investigations, reflected that during the period the employee was employed by the Library of Congress in Washington, D. C., (March 13, 1942, to March 31, 1943), employee reportedly maintained a residence at [REDACTED]

MR. FRED V. McFALLS, [REDACTED]

[REDACTED]
identified a photograph of employee as being that of HEINRICH WIESCHHOFF who resided in his home approximately 1942-1943. McFALLS furnished the following information:

MR. McFALLS advised that during World War II when there was an acute housing shortage in Washington, D. C., he rented out a room in his home to Government employees who were unable to obtain suitable housing. In approximately 1942, the exact date he is unable to recall, WIESCHHOFF came to

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

his home looking for a room to rent. WIESCHHOFF explained that he was a Government employee who just recently arrived in Washington, D. C.; that his family was remaining in Philadelphia, Pennsylvania. McFALLS rented the room to WIESCHHOFF who thereafter lived in his home during the week and on week ends usually traveled to Philadelphia, Pennsylvania, where he claimed his wife was living.

McFALLS was unable to specifically recall how long employee resided in his home. He is of the opinion, however, that WIESCHHOFF stayed with him less than one year. He was unable to advise whether or not ~~employee~~ ^{employee} had resided at any other address in the Washington, D. C., area prior to or subsequent to his residence with McFALLS. From his recollection he believes employee stated that he was returning to Philadelphia, Pennsylvania, at the time employee left his home. McFALLS furnished the following information relative to employee as he could recall from his memory:

WIESCHHOFF was a rather quiet and retiring individual who never had any visitors and apparently no close acquaintances in the Washington, D. C., area. His only conversation with McFALLS concerned his travels and knowledge of Africa. WIESCHHOFF on several occasions told McFALLS that he had spent from four to five years in Africa and had a wide knowledge of the numerous African languages and dialects. He told McFALLS that his job in Washington, D. C., was to review messages written in any of the African languages and intercepted by the United States Government which messages might be used by the enemy for sending coded messages. Employee never entered into any discussions of a political or ideological nature and never gave any indication of pro-Communist sympathies.

It is McFALLS' impression that employee claimed to have been Dutch and that employee claimed that his travels in Africa were financed by the Dutch Government. McFALLS believes that employee at one time told him that he had attended the Dutch Royal Academy and had lived in a small town near Amsterdam, Holland. Employee never spoke of having resided in Germany or knowing anything of Germany.

Employee's records on file with the Central Files Section, Immigration and Naturalization Service, contained microfilm copies of the following listed documents from which pertinent information appearing therein is set out:

He obtained Ph.D Degree from the University of Frankfort, Germany, in February, 1933, thereafter being associated with Forschungs Institute Fur Kultur Morphologie as an Ethnologist. He has made studies in Africa in the Union of South Africa, Portuguese West Africa and the former German Colony in East Africa. Mexico. In this application, signed by the employee under oath, he lists his name as being HEINRICH ALBERT WIESCHHOFF and indicated his intention to reside indefinitely in the United States and to reside and teach at the University of Pennsylvania, Philadelphia, Pennsylvania. He signed the customary affidavit that he did not believe in or advocate overthrow by violence of the Government of the United States.

A statement from the Forschungs-institut Fur Kulturmorphologie E. V. (Research Institution for Culture Morphology) Frankfort, Germany, attests to the fact employee was employed as Scientific Assistant by their organization from April 1, 1930, until August 3, 1935. X

Quota Immigration Visa number 1936 issued September 24, 1937, to employee at the American Consulate, Mexicali, B.C. Mexico, reflected employee was to be admitted to the United States under the German quota for 1937 - 1938 and which reflected employee was issued Immigrant Identification Card number 896095.

Petition for Naturalization number 150923 dated March 24, 1941, filed under Section 310-B of the Naturalization Act of 1940 whereby foreigners residing continuously in the United States for three years and married to an American citizen may be admitted to citizenship without the necessity of obtaining first papers. In this petition signed by the employee under oath employee lists himself as having married MARY VIRGINIA GRAVES, June 28, 1938, at Pasadena, California. Recorder of University, both stated as witnesses that they had known WIESCHHOFF since October, 1937, and recommended him for citizenship.

Certificate of naturalization number 5104860 issued to HEINRICH ALBERT WIESCHHOFF on June 6, 1941, at District Court of United States, Philadelphia, Pennsylvania.

Request for confirmation of Naturalization received August 8, 1950, whereby ~~HELMUT~~ WIESCHHOFF of Bahuhofstrasse, Bonen, West Falen, Germany, occupation, Businessman, requested information and confirmation of employee's United States citizenship.

The files also contain information that employee departed the United States on September 23, 1937, at Calexico, California, en route to Mexico and subsequently re-entered the United States on September 24, 1937, with an immigration visa.

In addition to the above the files also contain a report from the Federal Administrator of Police, Vienna, Austria, dated January 22, 1936, which in translation states MR. HEINZ WIESCHHOFF, born August 1, 1906, Haagen, Germany, home address Frankfort on the Main, resided in Vienna, Austria, from April 16, 1931, to July 10, 1931, at VIII, Piaristengasse 9, during which time nothing unfavorable was reported. This report had been furnished by employee to Immigration and Naturalization Service at the time employee was applying for an immigration visa.

The files of Washington T-1, a Government agency conducting security and personnel investigations, were reviewed on December 3, 1952. These files reflected that HEINRICH ALBERT WIESCHHOFF, born August 1, 1906, Hagen, Germany, was the subject of an investigation conducted by T-1 relative to an application being made by employee for a position of trust with the United States Government. This investigation developed no derogatory evidence concerning the loyalty of WIESCHHOFF. The investigation did, however, develop the

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

discrepancies existing in WIESCHHOFF'S original record of entry in the United States as compared with his petition for naturalization wherein employee originally listed a wife, MARGOT WIESCHHOFF, residing in Germany and subsequently at the time of naturalization listed his wife as MARY VIRGINIA GRAVES. Employee is reported to have sworn under oath during a preliminary hearing at his naturalization proceedings that he had been married only once, that his wife, MARY VIRGINIA GRAVES, had been married once and that he was the father of one child [redacted] which child was born [redacted]

b6
b7C

[redacted] On being interviewed by investigators of T-1 employee reported to have admitted that his wife, MARY VIRGINIA GRAVES, previously had been married, but that her first marriage had been annulled in California. He denied, however, that he had ever been married prior to his marriage on June 28, 1938, to MARY VIRGINIA GRAVES. He is reported to have stated that the representations made when first entering the United States that he was married to a MARGOT WIESCHHOFF were false and that he had made the representation solely to facilitate his entry into the United States, his reasoning being the United States authorities would more readily grant him a Visitor's Visa knowing that he had a family in Germany to which he would return. WIESCHHOFF is reported to have stated that he would deny under oath any statement that he was married prior to coming to the United States. Employee is then reported to have been placed under oath at which time he then admitted to having been married in June or July, 1933, at Frankfort, Germany, to MARGOT HONBERGER and to have had a child named [redacted] who was born [redacted]

[redacted] He claimed he was divorced by his first wife in Frankfort, Germany, sometime around January, 1937, but that he could not produce any documentary proof of same. He stated that although he had received notification of this divorce he destroyed the papers. WIESCHHOFF is reported as stating that he and his second wife wished to forget their previous marriages and did not want their child to know that either had previously been married. He gave this as his reason for not disclosing

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

his and his wife's previous marriages at the time of his naturalization. WIESCHHOFF is reported as stating that DR. SPECK, Professor, University of Pennsylvania, could verify the fact that he, WIESCHHOFF had been divorced in that SPECK had seen the documentary evidence of the divorce prior to its being destroyed.

Washington T-1 files included the following quoted information. "New Africa of December, 1944, a monthly bulletin issued by the Council of African Affairs, 23 West 26th Street, New York 10, New York, contains a reprint of an open letter dated December 15, 1944, addressed to President FRANKLIN DELANO ROOSEVELT, and Secretary of State EDWARD R. STETTINIUS JR., urging that the proposed United Nations Charter provide adequate provisions for the advancement of the people of the African Affairs, listing HEINRICH ALBERT WIESCHHOFF, Committee on African Studies, University of Pennsylvania, as a signer and endorser."

On October 27, 1952, the files of Washington T-2, a Government agency conducting security and personnel investigations were reviewed. The files of T-2 reflect HEINRICH ALBERT WIESCHHOFF, born August 1, 1906, Hagen, Germany, was questioned by investigators of T-2 in January, 1943, and December, 1944, in Philadelphia, Pennsylvania, at which time employee is reported to have admitted under oath that any statement he had previously made denying his first marriage was false; that he had married a MARGOT HOMBERGER in Frankfort, Germany, June 28, 1933, and that he had one child [redacted] as issue of that marriage. He stated that he destroyed all evidence of that first marriage solely for sentimental reasons. Employee is also reported as admitting that he and his present wife, MARY VIRGINIA GRAVES, prior to their marriage in 1938 lived together as man and wife during the summer of 1937 in an apartment employee rented at 48th and Spruce Streets, Philadelphia, Pennsylvania.

b6
b7c

The Personnel Files of the Library of Congress upon review reflected that the employee was employed as an Consultant, Division of Special Information, Library of Congress, from March 13, 1942, to March 31, 1943. There was no information in this file which was adverse to the employee.

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

The files of Washington T-1, reflect that under date of February 22, 1943, an inquiry was directed to Washington T-1, from the Office of Strategic Services in which it was mentioned that consideration was being given to hiring employee and the Office of Strategic Services was interested in knowing if employee was considered suitable for employment. "HEINRICH WIESCHHOFF, (USA), Chief, Territorial Research and Analysis Section, admits having been a Communist until two or three years ago. He was formerly of German nationality. Mr. KENNEDY described him as a man with a rather academic outlook, a good brain, cunning, and not well educated although he pretends to hold professional standing. During the war, Mr. KENNEDY stated that WIESCHHOFF served with the United States State Department. ✕

"KENNEDY claims that WIESCHHOFF is RALPH BUNCHE's principal contact with the State Department and has considerable power. WIESCHHOFF is very interested in all political matters. According to KENNEDY, BUNCHE is interested in his own prestige in the State Department and in political matters and the like has WIESCHHOFF as his "eyes and ears". KENNEDY stated that WIESCHHOFF's former role is now affected by a recent swing in the State Department toward recognition of the value of Britain's work in the colonies. This swing began about two years ago and is quite noticeable now. ✕

"According to KENNEDY, WIESCHHOFF formerly could use his "in" with the State Department as a wedge on BUNCHE. Now he pretends to have changed his mind somewhat but is not supposed to be sincere about this. The assumption on KENNEDY's part is the WIESCHHOFF is still a Red but has taken the 'repentance road to concealment'. ✕

BENNETT, 2/8/51 at New York, entitled "DONALD R. YOUNG, Operations Research Officer, Johns Hopkins University, Fort Lesley J. McNair, Department of the Army, SM-C", reflected no CP activity in NYC. YOUNG was interviewed by the New York Office and WFO was requested to document him.

Concerning the investigation of the employee at the United Nations, only RALPH BUNCHE and two secretaries were contacted besides the usual sources of information. Miss JOSEPHINE STIEREN, Secretary, who furnished information concerning the employee's association with JACK SARGENT HARRIS, holds a position similar to that of a "chief clerk" in the Trusteeship Division and is regarded as knowing a great deal about individuals in that Division. No other individuals were contacted in the Trusteeship Division inasmuch as SA JOHN G. MCCARTHY advised that the only other person available for interview of equal rank with the employee was BOZIDAR ALEKSANDER (Yugoslavia), who SA MCCARTHY, in the interests of discreetness, did not contact.

Reference is made to my letter dated April 28, 1953, requesting foreign investigation of Mr. Wieschhoff under Executive Order 10422, and to my letter dated December 18, 1952, transmitting reports covering an investigation of Mr. Wieschhoff by this Bureau.

Your attention is directed to the report of Special Agent Edward J. Moore, Jr. dated July 10, 1952, a copy of which was furnished to you on July 21, 1952. It was stated in that report that investigation was predicated on information furnished by New York Confidential Informant T-1, who advised that two or three years ago Wieschhoff admitted being a Communist but that he has attempted to conceal this fact since that time. X

RECORDED - 36

For your confidential information New York T-1 obtained that information from Frank R. Kennedy told New York T-1 that Wieschhoff had made the admissions mentioned above. The informant declined to furnish a signed statement or appear before a Loyalty Hearing Board.

Concerning JACK HARRIS, the "New York Times", New York daily newspaper, in the October 23, 1952 issue, pages two and three, listed JACK S. HARRIS, Political Affairs Officer, Department of Trusteeship, as one of ten United Nations employees placed on compulsory leave for refusing to state whether they had been Communists when appearing before a Senate Sub-Committee To Investigate the Internal Security Act and Other Internal Security Laws of the United States on October 14, 1952 in New York City. Confidential Informant (u) New York City T-3, of known reliability, advised in December 1952 that JACK SARGENT HARRIS' employment as Political Affairs Officer, Department of Trusteeship, with the United Nations Secretariat was terminated December 5, 1952.

Miss JOSEPHINE STIEREN, Secretary, Trusteeship Division, United Nations, whose remarks will be set out hereafter, advised that, concerning the employee's association with JACK SARGENT HARRIS, the employee had had a close professional association with HARRIS inasmuch as the employee had been HARRIS' immediate supervisor. It was her impression that there had been some social acquaintanceship between them and they may have visited one another's homes, but she thought that this was brought about by their close working association. Miss STIEREN advised that it was also her belief that the employee did not participate in any of HARRIS' activities outside the United Nations, and she would have no reason to believe the employee shares any of HARRIS' political philosophies.

The "New York Amsterdam News", a New York newspaper, on September 29, 1945 contained a picture of H. A. WIESCHHOFF, Ph D., University of Pennsylvania, and an article which stated that he had lectured on "Colony Administration and Colony Policies in Africa" on September 27, 1945

at the George Washington Carver School, 57 West 125th Street, New York, New York. The article noted that Dr. WIESCHHOFF was Chairman of the Committee on African Studies, University of Pennsylvania, and Curator of the African Section of the University of Pennsylvania Museum.

The "New York Age", a New York newspaper, on October 20, 1945 contained an article reflecting that on the previous Thursday night Dr. H. A. WIESCHHOFF of the University of Pennsylvania lectured on "Colony Administration in Africa" at the Carver School, 57 West 125th Street, New York, New York.

The employee's Identification and Personnel Data form, previously mentioned, reflects that the employee instructed in African Anthropology and was Curator of the Museum at the University of Pennsylvania.

The George Washington Carver School has been cited by the Attorney General of the United States as coming within the purview of Executive Order 9835.

The employee was appointed September 3, 1946 as a Consultant. Mr. BEGLEY advised he does not know the employee and nothing of an unfavorable nature is known to him concerning the employee.

Mr. ~~RALPH BUNCHE~~ ^{N.Y., D.C.}, Director, Division of Trusteeship, advised that he is well acquainted with the employee, and formerly worked with him in the Office of Strategic Services.

UNITED NATIONS

character, reputation or loyalty to the United States. Mr. BUNCHE stated that he understands that the employee was summoned before the Federal Grand Jury in New York City but was asked only about places where he had lectured - nothing of any consequence - and had spent only a short time before the Grand Jury. He knew nothing to reflect on the employee's loyalty, Mr. BUNCHE stated.

Mr. RALPH BUNCHE was investigated under the provisions of Executive Order 10422.

Miss JOSEPHINE STIEREN, Secretary, Trusteeship Division, advised that she had known the employee for about six or seven years as a business associate. She stated that he is a German born naturalized citizen and worked for RALPH BUNCHE in the office of Strategic Services several years ago. She advised that it was her impression that the employee was quite friendly with BUNCHE inasmuch as both lived at Parkway Village and often visited each other's residences. Miss STIEREN further advised that the employee seemed to be a "family" man, and she would have no cause to question his character, reputation or loyalty.

Miss MARJORIE CAMPBELL, Secretary, Trusteeship Division, advised that she has known the employee casually as a Section Chief in the Trusteeship Division but does not feel qualified to comment other than to say that she has never heard anything which would reflect on his character, reputation or loyalty.

that she and her sister were acquainted with the employee only slightly and added that most of the contacts with the employee and his family have been of a business nature. She stated that the employee is a quiet, reserved man who does not go out of his way to make friends with other persons residing in the neighborhood, and she added that he seemed to spend most of his time in New York City working or else working in his garden while at home.

Miss MURPHY said that Mrs. WIESCHHOFF was interested in social affairs and attended Parent Teachers Associations Meetings and other civic affairs in Bronxville. She further stated that the WIESCHHOFF family did no social entertaining either of friends in the neighborhood or of business acquaintances from New York City. Miss MURPHY advised that she knew nothing concerning the loyalty of the employee's family, nor has she ever heard anything of a derogatory nature concerning any of them.

Miss MARGARET L. MURPHY, [REDACTED]

[REDACTED] advised substantially the same as did her sister, Miss MARY E. MURPHY.

b6
b7C

Mr. DANIEL HAMILTON, [REDACTED], advised that he had been acquainted with the WIESCHHOFF family for approximately two and one-half years and added that his acquaintance with them was only as casual neighbors. Mr. HAMILTON said that the employee's family had no intimate acquaintances in Bronxville, and they seemed to be quiet, reliable, good neighbors and normal in every way. He advised that he knew nothing concerning the employee's background, but he had no reason to question the character, reputation or loyalty of the employee or his family.

Mr. HARRY P. HOBLIN, [REDACTED] advised that his property adjoined the WIESCHHOFF property and added that he has known the family for approximately two and one-half years only slightly as neighbors. They have impressed him as being good neighbors in that they appeared to be of good character and reputation he stated, and he would have no reason to suspect the employee's loyalty.

(u) X [Confidential Informant New York City T-4, of known reliability, advised that the employee's wife had been active in Parkway Village in social gatherings of the Parkway Village Community Association, and she was quite "vocal" at these meetings particularly with respect to racial problems. The informant advised however, that the employee was a very quiet individual, and the informant never saw him speaking or

taking part in any of these activities. The informant stated that this may have been due to the fact that the employee was travelling so much as Secretary of many United Nations missions to Africa and other Trustee territories. This informant advised that he had no indication of any Communist activities on the part of the employee.

Reference

Dr. DONALD R. YOUNG, General Director, Russell Sage Foundation, [REDACTED] advised that he was associated professionally with the employee while they were both on the staff of the University of Pennsylvania, and also the employee had been one of a group of men at the University who had worked under Dr. YOUNG's supervision on a grant given by the Social Science Research Council. He stated that at the University Mr. WIESCHHOFF and his wife were acquainted socially through various campus activities, but he added that he and the employee never became very friendly.

b6
b7C

Dr. YOUNG advised that the employee at the University had been an authoritarian and inconsiderate person in his dealings with other staff members, particularly those of lower rank than he, and as a result there were some faculty members who thought the employee to be somewhat of a "fascist". Dr. YOUNG stated, however, that there were never any indications of any "fascist" leanings on the part of the employee, and it was his opinion that the employee's actions and lack of the social graces were due to his having been trained for his professorial duties in Germany where it was considered the acceptable way for a Professor to act. Dr. YOUNG also attributed it to an exalted sense of importance on the part of the employee, which according to Dr. YOUNG was the reason the employee was "eased" out of his position at the University.

Dr. YOUNG advised that he has not seen the employee often since the employee has been in New York, but he did spend a day or so with him in Paris, France, about a year ago when they happened to meet there, and he did see the employee a few months ago at a gathering at RALPH BUNCHE's home in New York City. He stated that the employee and BUNCHE

have become quite close friends since coming to the United Nations inasmuch as the employee is BUNCHE's close associate there in their work, and also because the employee is an authority on matters which are of particular interest to BUNCHE. He added that it was his impression that the employee and BUNCHE were associated during the last war with the Office of Strategic Service in Washington, D.C.

Dr. YOUNG advised that he personally does not care to associate closely with the employee due to the employee's attitudes which he described previously, but he stated that he knows of nothing which would reflect unfavorably on the employee's loyalty, character, reputation or associations.

III. RESULTS OF INVESTIGATION

Philadelphia Confidential Informant T-1, of unknown reliability, advised in September 1940, that the employee had told him that he held a high position in Germany and that he knew HITLER. He stated the employee had expressed himself to be very pro-HITLER, and as having an amazing knowledge of military affairs.

In May of 1942, this informant advised that it was his opinion at that time that Mr. WIESCHHOFF was pro-Nazi, and he believed that he was in the past and still might have been at this time, a paid agent of the Nazi Government. At this time, Philadelphia Confidential Informant T-1 stated that he did not know the employee to have held a high position in Germany and never to have known HITLER, but that it was his personal belief that this was true.

Attached herewith are eight copies of the report of Special Agent KENNETH A. CLOW, dated July 3, 1953, Washington, D. C., reflecting investigation regarding the above captioned individual.

The Bureau is referred to New York Airtel dated June 3, 1953, in which the New York Office makes reference to an interview with Dr. DONALD YOUNG and requested that the Washington Field Office include a suitable documentation of Dr. YOUNG in its report. The only information in the files of WFO would indicate that the basis for the investigation conducted by the WFO and the New York Office is information received from G-2 MDW. G-2 information indicated that Dr. YOUNG was Head of the Russell Sage Foundation. The files of the House Committee on Un-American Activities reflected also identical information and in addition the fact Dr. YOUNG was the President of the Eastern Sociological Society. Neither of these organizations are cited, and, therefore, it is not believed that any documentation of Dr. YOUNG should be made.

NOTE: Attached NY report sets forth info from Mrs. Alice Widener
(N.Y.T6) who has close contact with UN personnel, to the
effect that she had been advised by Dr. Victor Hoo, Chinese
Nationalist and former Assistant Secretary General of the
UN (N.Y.T7) that Wieschkoff was a "dangerous fellow" at the
UN since he "works closely with Jack Harris, dismissed
Political Affairs Officer." It is noted that Harris was
fired from the UN in 1953 for refusing to testify whether he

Continued NOTE:

NY did not interview Hoo and it is not believed necessary that he be interviewed since:

1. Our investigation in 1953 shows that Wieschhoff was Harris's supervisor and did associate with him.
2. Bureau has recently concluded a voluminous Internal Security case on Hoo, a Chinese Nationalist, which raises questions concerning his loyalties.
3. It does not appear that Hoo is in possession of any info not already disclosed and reported in our investigation.

In view of the above, NY is not being requested to interview Hoo.

RESULTS OF INVESTIGATION

* [On February 9, 1956, New York T-9] who was acquainted with MIKHAIL MIKHAILOVICH SUMSKOI, an employee of the United Nations Secretariat, New York, New York, advised that on that date New York City newspapers carried accounts of the testimony of Colonel YURI RASTVOROV before the Senate Internal Security Committee, some of which pertained to SUMSKOI. The informant stated that SUMSKOI prepared a memorandum to the Secretary General of the United Nations in which he branded the remarks attributed to RASTVOROV as "lies and slander." * [New York T-9] said that SUMSKOI made a blanket denial of the allegation made by RASTVOROV that he had been engaged in espionage for the Soviets.

7. Further, the informant stated that after the memorandum had been prepared, SUMSKOI had displayed it to H. S. WIESCHHOFF, his superior. According to [New York T-9] WIESCHHOFF had made favorable comments concerning the memorandum prepared by SUMSKOI. * [New York T-9] was unable to

furnish additional information concerning the above matter.

The report of the Secretary General, dated September 28, 1956, pertaining to the Staff of the United Nations Secretariat, reflected that H. A. WIESCHHOFF was listed as the Acting Director, Office of Director, Division of Trusteeship. Also, it was reflected that MIKHAIL M. SUMSKOI was indicated to be the Chief of Reports, Questionnaires and Visits Section, which is a subdivision under the Division of Trusteeship.

Concerning MIKHAIL MIKHAILOVICH SUMSKOI, the following is to be noted:

The New York "Journal American", a New York City daily newspaper, carried an article in its issue of February 9, 1956, captioned "As Ex-Spy Talks: Keep Tight Check On UN Reds Here." This article in part reflected:

"The third case involving a member of the Soviet UN delegation in espionage activities was disclosed yesterday by former Russian agent Lt.Col. Yuri Rastvorov in testimony before the Senate Internal Security Committee in Washington.

"Rastvorov said one of the secret police agents in the UN was M.M. Sumskoi.

"The latter was listed inconspicuously as 'first secretary of the Soviet delegation' in the official director of the UN Ninth General Assembly in 1954.

"Sumskoi's name disappeared from the 1955 directory and the Soviet delegation claims he no longer is at UN.

"Sumskoi was described by Rastvorov as a close friend of Alexander S. Panyushkin, former Soviet ambassador to the U.S. and cited by the ex-agent as one of the six top Soviet secret police bosses....."

Files of the Immigration and Naturalization Service, 70 Columbus Avenue, New York, New York, on October 3, 1956, reflected that SUMSKOI and his wife departed the United States on that date from New York City via the "Queen Mary".
